**CHARTER OF THE NOMINATING AND GOVERNANCE COMMITTEE
OF THE BOARD OF DIRECTORS**

(Adopted June 11, 2009)

Introduction

The Nominating and Governance Committee is appointed by the Board of Directors of the Company. This Charter specifies the scope of authority and responsibility of the Committee and amends and restates any previous charter of the Committee. The principal function of the Committee is to (i) identify, evaluate and recommend to the Board qualified candidates for election or appointment to the Board, (ii) review, evaluate and recommend changes to the Company's Corporate Governance Guidelines and (iii) monitor and oversee matters of corporate governance, including the evaluation of Board and management performance and the "independence" of directors.

1. Composition And Qualifications

The Committee shall have at least three (3) members at all times, each of whom shall be a member of the Board who is "independent" under the standards set forth in the applicable rules promulgated by the SEC and the New York Stock Exchange or the Nasdaq Stock Market and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment.

Members may be required to participate in continuing education to the extent mandated by applicable law, the Company's Corporate Governance Guidelines or the Listing rules of any stock exchange on which the Company's shares are traded.

The members of the Committee will be appointed by and serve at the discretion of the Board. The Board may remove any member from the Committee at any time with or without cause.

The Committee may, by resolution passed by a majority of the Committee, designate one or more subcommittees, each subcommittee to consist of one or more members of the Committee. Any such subcommittee, to the extent provided in the resolutions of the Committee and to the extent not limited by applicable law or the Listing Rules, will have and may exercise all the powers and authority of the Committee. Each subcommittee will have such name as may be determined by resolution adopted by the Committee. Each subcommittee will keep regular minutes of its meetings and report the same to the Committee or the Board at its scheduled meetings. Such subcommittee may have a charter, as determined by the Committee.

2. Meetings

The Committee shall meet as frequently as circumstances dictate, but not less than twice a year. Additional meetings may occur as the Committee or its chair deems advisable. The Board shall name a chairperson of the Committee, who shall prepare and/or approve an agenda in advance of each meeting and shall preside over meetings of the Committee. In the absence of a Board-appointed chairperson at any meeting, the Committee shall select a chairperson for that meeting. A majority of the members of the Committee shall constitute a quorum and the act of a majority of the members present at a meeting where a quorum is present shall be the act of the Committee. The Committee may also act by unanimous written consent of its members. The Committee shall maintain minutes or other records of its meetings and activities, and will report on its actions and activities at each quarterly meeting of the Board. Committee members will be furnished with copies of the minutes of each meeting and any action taken by unanimous consent.

Except as otherwise specified herein, the Committee is governed by the same rules regarding meetings (including meetings by conference telephone or similar communications equipment), action without meetings, notice, waiver of notice and quorum and voting requirements as are applicable to the Board. The Committee is authorized and empowered to adopt its own rules of procedure not inconsistent with any provision of this Charter, any provision of the Bylaws or Certificate of Incorporation of the Company or any applicable law, rule, regulation or Listing Rule.

The Committee shall, through its chairperson, report regularly to the Board following the meeting of the Committee, addressing such matters as it deems appropriate.

3. Responsibilities, Duties And Powers

The Committee will have the resources and authority necessary to discharge its duties and responsibilities. Any action duly and validly taken by the Committee pursuant to the power and authority conferred under this Charter shall for all purposes constitute an action duly and validly taken by the Board and may be certified as such by the Secretary or other authorized officer of the Company. The Committee has sole authority to retain and terminate such outside counsel, search firm (to assist in identifying director candidates), and other experts or consultants as it deems appropriate to assist it in the full performance of its functions. The Committee shall have sole authority to approve such experts' or consultants' fees and retention terms.
